

ORTHODOX CHRISTIAN MISSION

As part of our community, please include these short petitions in your daily prayers. May they help us to keep in mind the special work that God has given to each of us in the building up of His Holy Church here in Saint James and Rolla:

PETITION FOR A MISSION

Again we pray that The Lord would firmly establish His Church in this place, that He would inspire sincere repentance to those of us who wish to be part of its foundation, that He would bring those who are seeking the true Faith, and that He would unite us all in oneness of mind for this blessed task, we pray Thee, hear us and show us Thy great and rich mercy!

PETITION FOR BUILDING

O Lord, our God, whose might upholdeth all creation: Establish the work of our helpless hands; and make our lowly church a place for the showing of thy glory; and for all peoples a house of prayer pleasing in Thy sight. We pray Thee: Hearken and have mercy.
